

Introduction to Fireworks

What You Will Learn.....	1
Getting Started with Fireworks.....	2
Using the Hand and Zoom Tools.....	4
Understanding Artwork Modes (Vector vs. Bitmap).....	5
Understanding File Formats.....	6
PNG Files.....	6
GIF Files.....	7
JPEG Files.....	8
Naming Files.....	9
Creating Vector Artwork.....	10
Using the Tools Panel.....	10
Creating a Basic Rectangle.....	11
Deleting Shapes.....	11
Drawing Other Basic Shapes.....	12
Changing Stroke Attributes.....	15
Changing the Fill.....	19
Applying a Solid Fill.....	19
Applying a Gradient Fill.....	20
Applying a Pattern Fill.....	22
Adding a Texture.....	22
Changing the Edge.....	23
Exercise 1.....	24
Drawing Lines and Paths.....	25
Drawing with the Line Tool.....	25
Deleting Lines and Paths.....	25
Drawing with the Pen Tool.....	26
Drawing with the Vector Path Tool.....	28
Using the Subselection Tool.....	29
Refining Paths.....	30
Using the Freeform Tool to Alter the Path.....	30
Using the Reshape Area Tool to Distort a Path.....	31
Redrawing a Path.....	33
Inserting and Deleting Path Points.....	34

Modifying Artwork.....	35
Grouping Objects.....	35
Changing the Stacking Order.....	36
Flipping and Rotating Objects.....	37
Transforming Objects.....	39
Scaling and Rotating.....	39
Skewing and Rotating.....	40
Distorting and Rotating.....	41
Resetting the Rotation Axis.....	41
Exercise 2.....	42
Importing Vector Graphics.....	43
Using the History Panel.....	45
Exercise 3.....	47
Working with Bitmaps.....	48
Opening Bitmap Images.....	48
Using Bitmap Selection Tools.....	48
Exercise 4.....	54
Using the Eraser.....	55
Changing the Eraser Properties.....	55
Using the Rubber Stamp to Clone Images.....	56
Rubber Stamp Options.....	57
Exercise 5.....	58
Working with Color.....	59
Using the Swatches Panel.....	59
Using the Color Mixer.....	60
Cropping an Image.....	61
Using Bitmap Tools.....	63
Using the Pencil Tool.....	63
Drawing with the Brush Tool.....	64
Working with Bitmap Paths.....	65

Working with Layers	66
Adding Objects to Layers	66
Manipulating Objects in the Layers Panel	68
Adding Text	69
Exercise 6.....	70
Using Filters.....	71
Applying a Filter	71
Editing a Filter	72
Applying Multiple Filters	72
Removing Filters.....	73
Using Styles	74
Applying a Predefined Style	74
Creating Your Own Style.....	76
Exercise 7.....	79
Creating a Fireworks Slideshow	80
Creating the Slideshow	80
Setting Slideshow Options.....	83
Exporting and Optimizing Fireworks Files.....	88
Using the Export Wizard	88
Previewing the Recommendations.....	90
Understanding Selective JPEG Compression	93
